EIGHT CLAUSES

01 The parties

This agreement is between **Dappasol Labs LLP**, registered in India on 27 July 2023 and trading as DappaSol ("DappaSol", "we"), and the person or company named as the Referral Partner below ("you").

02 Registering a referral

- Before you introduce a client, email ishan@dappasol.com with the client's name and company.
- We confirm the registration in writing, by reply, within one business day. That written confirmation is your attribution.
- If we are already in conversation with that client, we tell you in the same reply, and the registration does not apply.
- A registration stays valid for six months. If the client signs a build with us in that window, the referral is yours.

03 Your commission

- You earn **10% of the build fee**: the fixed project price in the client's signed agreement, excluding taxes and third-party costs passed through at cost (hosting, licences, stock assets). Additions the client agrees to in writing during the initial build count toward the build fee.
- New projects the same client signs within six months of their first payment also earn you 10% of their build fee. Projects signed after

		that window do not. – We pay the full commission **within seven days of the client's first payment clearing** in our account. You do not wait for the later milestones. – Our kickoff payment is non-refundable. If a payment is nevertheless refunded or reversed, in full or in part, you return the same proportion of the commission paid on it. – We pay by bank transfer, Wise or PayPal to an account you name in writing. You handle your own taxes.
04	**No fees, ever**	There is no joining fee, no deposit, no minimum and no partner portal. You never pay DappaSol anything under this agreement, and we will never ask you to.
05	**How the work runs**	– DappaSol contracts with and bills the client directly, and handles all client calls. – You can work entirely by email. We keep you copied on the key next steps: proposal, kickoff and launch. – You are not our employee or agent and cannot sign or promise anything on our behalf.
06	**Confidentiality**	Both sides keep the client's information, and the terms of each other's deals, private.
07	**Ending this agreement**	Either side can end this agreement by email at any time. Referrals already registered keep their six-month window, and any commission earned is still paid.
08	**Governing law**	Governed by the laws of India. This is the whole agreement on referrals between us, and changes count only if both sides agree them in writing.
